

Accelerating 2025
Driving Collaborative Growth

MD's Message

Dear Okinawa Family,

As we embrace the start of 2025, I extend my heartfelt congratulations to each of you for contributing to another successful year at Okinawa. Your commitment and collaborative efforts have been the driving force behind our accomplishments. As we look ahead, I am confident we will achieve even greater heights together.

On January 23, 2025, we celebrated the eight commendable years in the world of electric mobility. The journey of achieving multiple milestones was full of ups and downs.

We are continuing the revolutionary path of exemplary customer service via our Power-Forwarding 2025 mission. We are along with our dealer partners, organizing the service camps across India.

As you all are aware, we have sold more than 4 Lac vehicles, and a large number of vehicles will be completing their warranty in the coming 6-8 months. For these customers, we are providing the battery at an optimal price.

We ran a discount offer during the festive season to get more customers and rebuild trust among the potential customers. We are running a special branding campaign with HT Media to build awareness and strengthen the brand.

Revolutionizing EV Ownership with Loan Tap: Last month, we embarked on an exciting collaboration with Loan Tap to simplify the EV ownership experience. Our strategic efforts have enabled a smooth and accessible path to EV ownership, empowering our customers to easily embrace green mobility.

I believe together, we will become a better, more connected and winning Team. Thank you again for your ongoing commitment and dedication.

Best Regards, **Jeetender Sharma** Managing Director, Okinawa Autotech
