Dear Okinawa Family,

I hope this newsletter finds you all in good health and tranquillity. I am incredibly grateful to all of you for putting all your efforts into the Okinawa Journey.

Okinawa never leaves a chance to benefit its customers and fulfil their dream of owning an electric two-wheeler for their family and loved ones. To embrace the spirit of this month, we ran multiple offers in a special campaign 'February Frenzy' to bring more cheer and excitement to their purchasing.

We are running a special branding campaign with HT Media to build awareness and strengthen the brand. As you all know, we have sold more than 4 Lac vehicles, and many of these vehicles will complete their warranty in the coming 6-8 months. For these customers, we are providing the battery & other parts at an optimal price. Together, let's ride towards creating a sustainable, electrified future, making every milestone a testament to our shared vision and commitment.

Best Regards,

Jeetender Sharma

Managing Director, Okinawa Autotech

We applaud the outstanding achievements of Ajj Electric Scooters, Tenkasi, Tamil Nadu one of our esteemed dealer partners, for achieving the highest number of test rides last month as part of our customer-centric campaign, Ride with Pride. As we move forward, we encourage all our dealer partners to take inspiration and elevate their test ride initiatives to new heights. Together, let's strive for excellence and create exceptional experiences for our customers. At Okinawa Autotech, we extend our heartfelt appreciation to all our dealer partners for their unwavering dedication and support. Your commitment is instrumental in driving our collective success.

The “Powering Forward 2025 - Service Camp” Initiative, a step towards strengthening customer satisfaction by offering free vehicle health checkups and cost-effective repairs for out-of-warranty vehicles is running continuously across Okinawa dealerships. This initiative reflects our unwavering commitment to innovation and superior customer service.
